These number s from the Arg.  
EMB. appear to be off. See Attachment  
Since XMAS thru today, the press  
here has reported that 43 persons  
have been granted the right to  
leave the country and 17 foreigners  
expelled. That gives a grand total  
of 60, not 130 as the Embassy  
reported to you.

I am trying to get info from the  
MININT re all PEN transfers. We have  
info from 3/76 to 2/77 and from  
the fall of 1977 up to the present.  
But we have a gap.
